

## **Meeting of Headington Community Project Group**

11 March 2025

Present: R Bradley, P Coulter, N Holdstock

The meeting was held to review two CIL applications:

- Flower baskets for Headington centre
- Invertebrate survey in Lye Valley

With minor modifications which will be suggested to the authors, it was agreed both applications can go to the full HA committee. If agreed by the HA committee, the applications will then be sent to the City Council with a recommendation for final approval.

RB will resign from this Project Group at the end of March, when he will no longer be a Trustee of HA. The Executive Group of HA will be asked to nominate a successor.

End of meeting
