

312 ISSUES

216 NO RESPONSE

10	Lack of Parking Spaces
5	Cars parked on footpaths/pavements
4	Vehicles Parking on Double Yellow Lines
3	Headington Quarry roads acting as car park for Brookes and people who go abroad/work
3	Residents Parking Issues (caused by Hospitals)
2	Cars parking on the pavement and blocking them
2	Inconsiderate School Parking (Quarry/St Josephs)
2	Brookes students and staff parking on residents roads
1	People parking on green area of Woodlands Road
1	Car parking too expensive
1	Increased cost of parking permits from Council
1	Taxis parking on junction with Gipsy Lane and Grays Road in residents parking.
1	Parking permits being abused by building renovators vehicles/skips and building materials.
9	Cycling on footpaths
9	Poor cycle safety/poor cycle marking/too narrow
1	Cycle lanes in roads make them too narrow
1	Joint cycling/pedestrian lanes are dangerous – lack of priority markings on London Rd
1	Lots of near misses between cyclists and cars at junctions.
1	Cycle routes through Old Headington/too much traffic through Old Headington
20	Transport Congestion
12	Speeding Problem
2	Expansion of Churchill site & hospital sites (traffic congestion)
1	20mph zones a waste of time and money
19	Poor conditions of Roads and Pavements
5	Lack of Bus Routes to Summertown/Kidlington/Centre/cowley business park/Kassam
2	Keep buses in bus lanes and stop them pulling out in front of cars/less bus lanes
1	Lack of direct City buses from Quarry
1	Public Transport
1	Too many buses.
1	Treat London Road like High st – access only, plus buses and taxis
3	Problem with pedestrian crossing at Windmill Road and turning right
2	Blocking of London Road underpass
1	Cycle racks on pavements can be issue for partially sighted
1	State of footpaths in Wharton Road
1	London Road main junctions safety issues
1	Improve pavement safety (outside Natwest bank)
1	Too many long-distance coaches on London Road
1	Pebble driveways leads to stones on footpaths which are dangerous for disabled people
3	Commuter rat running
2	Cars using shortcuts such as Quarry/Rock Edge
1	Coaches are 'rat-running' down Woodlands road
1	When residential roads are shut off, traffic goes down other residential roads (i.e. Stapleton vs Bickerton)
2	Access by vehicles to the JR is hopeless – Osler Road/Headley Way ridiculous/remove buses
1	Lack of bus stop between Headington Shops and Mattock Close
1	Bus lay-by outside Iceland inadequate
1	Be aware of blind corners e.g. Barton Road
1	Overuse of certain roads by driving schools
1	Problem with car culture

12	Lack of preservation of green spaces and character of areas
3	Rock Edge vulnerable to development
1	Lack of public open space for current population and future growth to 2026
2	Leisure time provision for young people
1	Lack of Public Swimming Pool
6	Rubbish and litter around streets and parks – Council not cleaning as well
2	Dog mess
1	City Councils inability to take away rubbish
5	Future of Stansfield Learning Centre
4	Untidy front gardens
2	Overhanging trees/bushes on footpaths
1	Lack of venues which are wheelchair accessible/disability friendly
1	Standard of Quarry Recreation Pavilion
1	Lack of postal service before 5pm
1	Street Lighting on all night
1	Headington character been allowed to dwindle
3	Excessive noise and traffic from EF and other language schools
1	Lack of provision of informal education
11	Not enough HMOs/social/general/affordable housing for young workers (not students)
1	Give housing priority to key workers
7	Too many student flats (and hence too many students compared to residents)
1	Too many HMOs
1	Beds in Sheds
26	Too many supermarkets/lack of retail variety
6	Excessive charity shops
2	Lack of Clothing Retail Shops
1	Businesses going out of business as charged too much rent
1	Lack of retail to cater for young families
1	Burger Vans causing congestion/eyesore and detracting from restaurants
12	Impact of large institutions on community/housing and local demography and ambience
2	The uncontrolled expansion of both universities without local scrutiny and censure
6	Over-development and too much emphasis on growth generally.
4	Increasing density of housing (flats).
3	Too many house extensions
3	Drainage Problems from too much development
2	Old water/drainage infrastructure
1	Paved over front gardens causing flooding
1	Too much street clutter such as satellite dishes etc.
1	PVC Windows and Doors
1	Climate change/carbon footprint/local production
1	Ensuring proposals are sustainable
1	Council spending money in Barton rather than Headington
1	Development of Barton Park
1	North side of London Rd shabby Oxford gateway
1	Restricting buildings to retail no longer appropriate when high st shopping declining
1	Sale and to let signs should have a removal date

3	Isolation of elderly, careers, people with mental health problems/disabled and dementia
2	How to integrate the two halves of Headington across the London Road
1	Lack of community
1	How to help non-UK national to feel home and share some diversity.
1	Central Headington feels unsafe/unfriendly at night.
1	Crime and anti-social behaviour
3	Local Councillors not helping
1	The name of Oxford – Headington
1	People's privacy
1	Increased air traffic from Brize Norton in late evening
1	Recycling at Redbridge terrible
